Requested Assistance

Request continued assistance messaging that communities should continue to bring the storm-related debris to the roadside and sort it into the 6 categories.

Separating Your Debris

Debris should be placed curbside, without blocking the roadway or storm drains.

DEBRIS SEPARATION
Separate debris into the six categories shown below.

DO NOT STACK OR LEAN
Placing debris near or on trees, poles, or other structures makes removal difficult. This includes fire hydrants and meters.

UNSURE WHERE TO PLACE DEBRIS?
If you don't have a sidewalk, ditch, or utility line in front of your house, place debris at the edge of your property before the curb.

NO PICKUP ZONE
Any debris placed from the sidewalk toward your property will not be picked up.

Normal Household Trash
Normal household trash and bagged debris of any kind will not be picked up with disaster debris. You should continue to follow your normal garbage removal schedule.
