**Traffic Alert: I-26 Project in Lexington and Calhoun Counties to Complete Fall of 2016**

In anticipation of the upcoming 4<sup>th</sup> of July holiday the rest areas near mile marker 123 will be repaved and reopened to the public on June 30<sup>th</sup> to accommodate additional traffic. All East bound thru lanes are now open and all West bound thru lanes will be open prior to the upcoming 4<sup>th</sup> of July holiday.

The project is almost complete with paving the only major item of work left. Of the 250,000 tons of Asphalt on the project 200,000 have been placed and 50,000 remain. Crews will be working to make some corrections for ride throughout June and July in preparation for the final lift of Asphalt (Friction Course). Placement of the final asphalt lift will start on the 21<sup>st</sup> of June and continue as portions of the project are ready. Remaining work on the project will be completed in the fall of 2016.
