RICHLAND AND LEXINGTON COUNTY ROAD CONSTRUCTION INFORMATION FOR WEEK BEGINNING July 7, 2014

Expect delays, nighttime lane closures and periodic lane shifts for a 10 mile work zone to widen Interstate 20 from Interstate 77 (MM 74.7) past Spears Creek Church Road (MM 84.6) in Richland County. Completion is anticipated summer 2014.

Expect minor delays, flagging operations and possible nighttime detours on Alpine Road (under I-20) between Faraway Drive and Polo Road in Richland County while ramp intersections are being improved and I-20 bridges are being widened / reconstructed. Completion is anticipated summer 2014.

Routine nighttime lane closures are expected on I-26 from the I-77/US321 interchange (Mile Marker 115) to S-6/Caw Caw Road. (Mile Marker 136) in both the eastbound and westbound directions. The eastbound and westbound I-26 travel lanes from I-77 (MM 115) to Old Sandy Run Road (MM 125) are now shifted to the right to provide room for temporary concrete barriers and heavy construction in the highway median. The speed limit has been reduced to 60 mph in this area. Dixiana Road beneath I-26 has been closed and local traffic detoured for reconstruction of the I-26 Bridge over CSX RR and Dixiana Road. Interstate milling and paving is underway between MP 125 and MP 135, eastbound and westbound. The eastbound and westbound rest areas near MM 122 are closed for the duration of this project. The anticipated completion date for this project is July 2015. Expect delays, flagging operations and lane closures on Sandfield Road (S-220), Crowson Road (S-251), Longtown Road (S-1051), and Valley Road (S-1758) in Richland County for patching, leveling and resurfacing. Completion is anticipated end of July 2014.

Expect delays, flagging operations and lane closures on Trotter Road (S-222), Bluff Road (SC-48), Broad River Road (US-76), Trenholm Road (S-33) and Clemson Road (S-52) in Richland County for patching, widening, milling, and paving. Completion is anticipated November 2014.

Expect nighttime lane closures for pavement and bridge deck rehabilitation on I-26 in Richland and Lexington counties from mile markers 107-115 in both the eastbound and westbound directions. Nightly lane closures are anticipated thru July 31, 2014.

Rimer Pond Road (S-1041) in Richland County will be closed between Eagles Ridge Drive (Local) and Adams Road (S-2455) from April 14, 2014 to August 31, 2014. Traffic will be detoured via Wilson Boulevard (US-21), Langford Road (S-54), Trading Post Road (S-1899) and Round Top Church Road (S-1051). Construction will improve safety around Rymers Pond. Completion is anticipated September 2014.

Expect minor delays and flagging operations on Broad River Road from Greystone Boulevard to Licious Road in Richland County for the replacement of the bridge over the Broad River. This project will require reducing traffic to one lane in each direction. The expected completion date for the project is the summer of 2014.

Expect minor delays and possible weekend flagging operations along Old Dunbar Rd. (S-72) at the I-26 overpass for bridge jacking, grading, and drainage operations. Anticipated completion date is July 31, 2014.

Expect delays and flagging operations on Hope Ferry Road in Lexington for bridge replacement work and paving operations. Area of work is on Hope Ferry Road between the limits of US-378, Sunset Blvd, and Midway Road. Expected completion date is August 2014.

Expect delays, flagging operations and lane closures along US-1 (Augusta Highway) from Schofield Road (S-1849) to Old Field Road (S-31) in Lexington County. Anticipated widening construction along US-1 in this area will be completed December 2015.

Expect delays, flagging operations and lane closures along S-32-386 (Oak Drive) from US-1 to S-32-106 (Mineral Springs Road) in Lexington County. Anticipated widening and resurfacing along Oak Drive will be completed August 2014.
