Dear DOT Workers,
Thank you for all you have done
for us even though you don't know

be in a ditch right now. But

Dear DOT Workers, D / Feb 11, 2014

Thank you so much for everything you have done for me! You get up so early just to check if the roads are okay, that is really nice of you. If the roads are dangerous you put salt on every dot of the road. It must be hard for you to wake up so early and do kind things each morning. I am glad that you like to help us.
